

Picture yourself strolling through  
the small streets of Europe.....

....leaning on the counter of a French Patisserie,  
inhaling the warm scents of butter, sugar and  
fresh berries.

....in the gingerbread villages and towns of  
Germany, Switzerland and Austria drinking  
endless cups of fragrant coffee and tasting a  
fantastic variety of cakes, pastries and strudels.

....on your way to a sun-warmed Italian Piazza  
for a refreshing Lemon Granita or a heavenly  
piece of Tiramisu.
